Applying The Entrepreneurial Spirit to Your Finances

Norwalk, CT – May 31, 2010

Jill Russo Foster will be speaking at the **9th Annual Orange Business Expo** on *Applying the Entrepreneurial Spirit to Your Finances* on June 16 from noon to 2pm in Orange, CT.

Did you know Merriam-Webster defines an entrepreneur as one who organizes, manages, and assumes the risks of a business or enterprise? You may not be a business entrepreneur, but if you're like most of us, you do manage your own money. That means you take risks with loans or investments so you can build your assets and make a small profit towards retirement. But, are your bank statements showing profits or losses? Could you improve your situation by mindfully applying the entrepreneurial mindset to your finances? Come hear Jill speak to learn the answers.

The 9th Annual Business Expo will be held on Wednesday, June 16 from 11am to 5pm. Jill's segment is noon to 2pm. For more information, visit www.OrangeEDC.com.

Jill is the author of Cash, Credit and Your Finances: The Teen Years. She is a personal finance expert with many years experience in the banking and mortgage fields.
