

# THRIVE IN FIVE

## Take Charge of Your Finances In Five Minutes A Day

Each year do you resolve to improve your finances only to have something happen that pushes you back to the same place you were last year? **Thrive In Five: Take Charge of Your Finances in 5 Minutes a Day** will help you change that. With daily short tips that take five minutes or less, this book will help you improve your credit score, spend less, and save more money – all while getting organized!

"Thrive In Five: Take Charge of Your Finances In Five Minutes A Day" is a comprehensive, no nonsense book.

Jill's direct, easy-to-understand style makes it Super Easy to take control of your finances TODAY. As someone who's worked in a financial institution for 15 years, I've never seen everything so comprehensively laid out. This book should be required reading, and can be given to anyone at any age to help them save money. Jill truly understands that finances don't have to be dull, boring and complicated. She even gives you days to 'catch up'!

It sends chills up my spine to think about all of the people who don't know these simple, doable steps.

READ this book and quickly take control of your finances. And get this--- Each day the steps are written in a day-by-day, paint-by-numbers format, all EASY yet DOABLE!

Hey, it only takes five minutes or so each day -- yet each step can take you one step closer to finally taking control of your finances!

I say get this book and get this book right NOW! It's awesome!"
